

YacHTing
COLOUR
SELECTION

Una selezione cromatica delle tonalità pastello realizzabili con le finiture STOPPANI destinate al settore YacHTing. Colori dall'ineguagliabile brillantezza e purezza cromatica, a base di pigmenti di ultima generazione, che comprendono tonalità classiche e di design per la verniciatura di Yacht, barche da diporto e a Vela. Speciali filtri UV conferiscono a tutte le finiture Stoppani una eccellente resistenza all'invecchiamento, anche dei supporti sottoposti ad esasperate condizioni climatiche.

YACHTING SOLID COLOUR SELECTION

Une sélection chromatique de nuances opaques réalisables avec les finitions STOPPANI dédiées au secteur du YacHTing. Il s'agit de couleurs d'une brillante et d'une pureté chromatique sans pareil à base de pigments de dernière génération qui associent des nuances classiques et design pour peindre Yacht, Bateaux de plaisance et Voiliers. Les filtres spéciaux UV garantissent à toutes les finitions STOPPANI une excellente résistance au vieillissement, y compris pour les surfaces exposées à des conditions climatiques sévères.

YACHTING SOLID COLOUR SELECTION

A chromatic selection of solid colours which can be obtained with STOPPANI topcoats, for yacHTing. Colours with high gloss and chromatic purity, based on last generation pigments, including classic and design colours for Yachts, sailing boats and pleasure craft. Special UV filters give an excellence resistance to Stoppani topcoats, even for supports, which are submitted to very hard climatic conditions.

YACHTING UNIFARBEN SELECTION

Eine hochwertige, chromatisch sortierte Auswahl an Uniönen für den YacHTing-Bereich, die mit den Decklacken von Stoppani realisierbar sind. Farben mit hervorragender Brillanz und Farbreinheit auf Basis von Pigmenten der neuesten Generation, die die Lackierung von Yachten, Sport- und Segelbooten sowohl in klassischen, wie auch in Design-Tönen erlauben. Spezielle UV-Filter geben allen Decklacken von Stoppani eine exzellente Alterungsbeständigkeit, auch unter extrem harten Klimabedingungen.

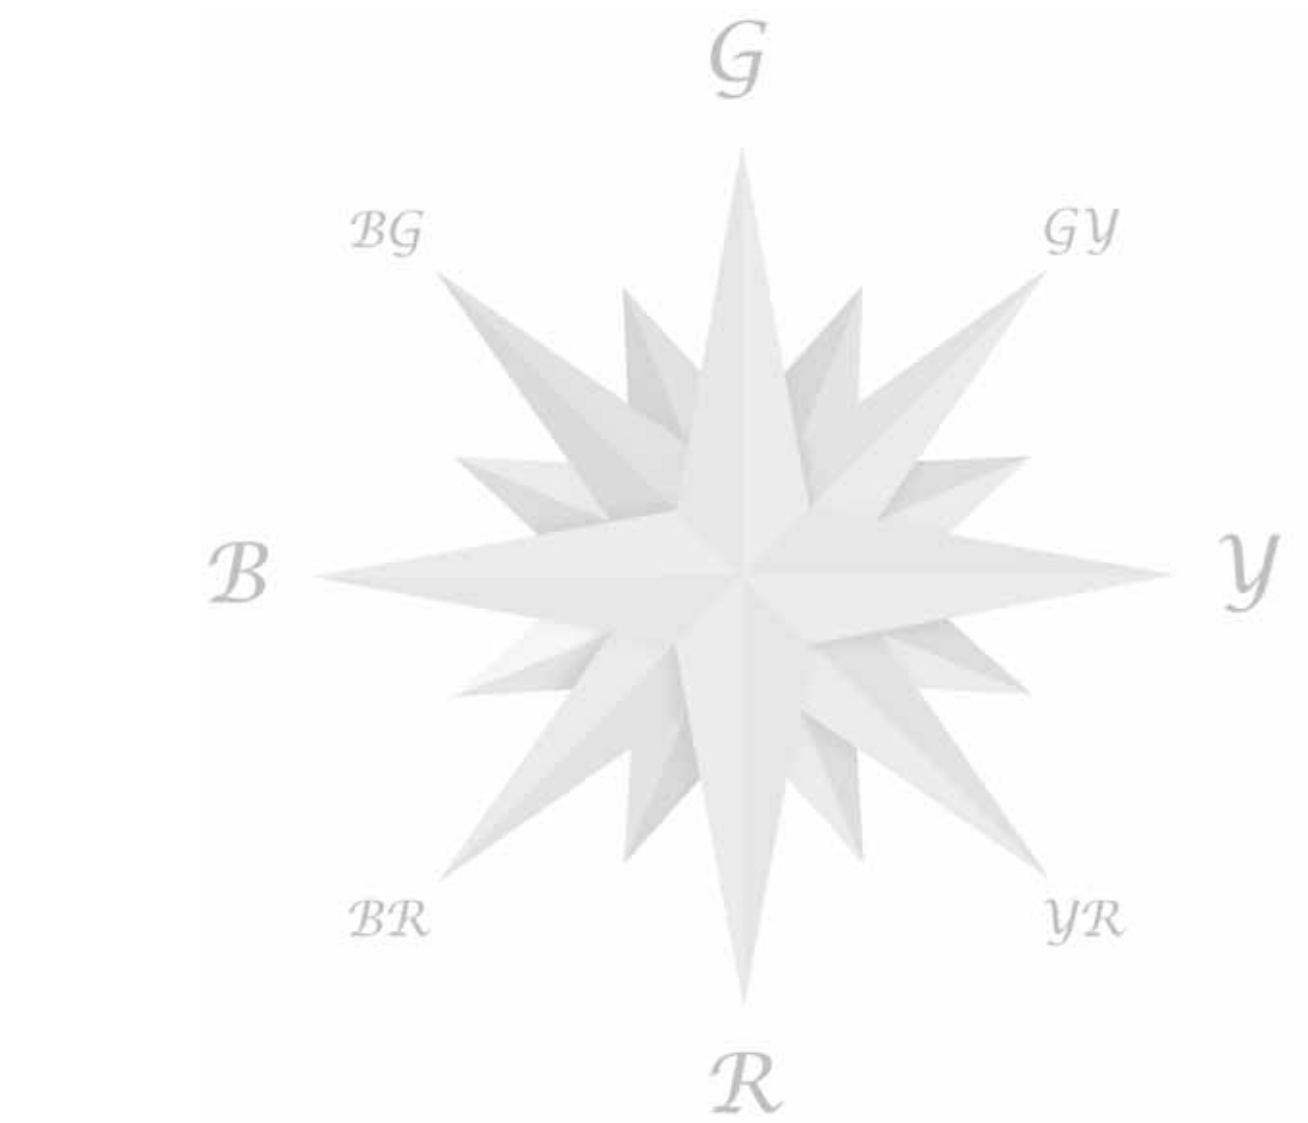

YACHTING SELECCION DE COLORES SOLIDOS

Una selección cromática de tonalidades pastel realizada con acabados STOPPANI destinadas al sector YacHTing. Colores de alto brillo y pureza cromática, a base de pigmentos de última generación, que incluyen tonos clásicos y de diseño para el pintado de Yates, barcos de recreo y a vela. Un filtro UV especial confiere a todos los acabados Stoppani una excelente resistencia al envejecimiento incluso a las zonas sometidas a duras condiciones climáticas.
